Chapter 306: The Absolute Arsenal and Armies of Creation

Sung Jin-Woo, as The Absolute One, continued to expand his influence across the multiverse, creating new troops, divine tools, and weapons. These creations were imbued with unimaginable power, ensuring his dominion remained unchallenged.

New Troops Created by Sung Jin-Woo

1. Eclipsian Vanguard

Elite shadow warriors forged from the essence of fallen gods.

Features:

Wield void-forged glaives and shadow shields.

Immune to all forms of divine energy and can phase through dimensions.

Number: 10 billion.

2. Draconian Sentinels

Dragonkin infused with celestial light and shadow energy.

Features:

Wings of black fire and scales harder than divine adamantine.

Equipped with blazing lances and shadow-forged armors.

Number: 1 trillion.

3. Aether Knights

Soldiers formed from pure aether energy, embodying light and balance.

Features:

Radiate a calming aura that weakens enemies and strengthens allies.

Armed with aether swords that can cut through space and time.

Number: 100 million.

4. Stellar Golems

Massive constructs powered by fragments of stars.

Features:

Towering beings with immense strength and durability.

Emit stellar beams capable of vaporizing armies.

Number: 50 million.

5. Umbral Phantoms

Ghost-like entities capable of infiltrating and disrupting enemy forces.

Features:

Invisible to all but divine senses.

Can possess enemies and turn them into allies.

Number: 500 billion.

6. Infernal Shadow Beasts

Ferocious creatures formed from shadow and fire.

Features:

Immense speed and agility, capable of tearing through divine armor.

Breathe black flames that consume both body and soul.

Number: 10 trillion.

7. Celestial Seraphim

Six-winged angelic beings forged from primordial light and shadow.

Features:

Masters of divine magic and powerful in combat.

Emit purifying rays that destroy corruption and heal allies.

Number: 1 billion.

New Divine Tools and Weapons

1. Scepter of Infinity

A staff that amplifies divine energy infinitely.

Features:

Can create new realms and manipulate existing ones.

Emits beams of creation and destruction.

2. Blade of Eternity

A one-edged sword infused with the essence of time and space.

Features:

Cuts through dimensions and bypasses all defenses.

Temporarily freezes or accelerates time upon striking.

3. Shield of Aetherium

A shield that absorbs and reflects all forms of energy.

Features:

Creates a protective barrier around entire armies.

Reflects attacks with double the original force.

4. Crown of Dominion

A crown that enhances Sung Jin-Woo’s control over creation.

Features:

Grants the ability to manipulate the will of lesser beings.

Amplifies the power of his clones and troops.

5. Lance of Oblivion

A spear forged from the core of a dying star.

Features:

Emits a concentrated beam of destruction that erases targets from existence.

Can pierce through the strongest divine barriers.

6. Orb of Genesis

A sphere that holds the power to create life.

Features:

Generates new species and ecosystems instantly.

Revives fallen allies with enhanced abilities.

7. Gauntlets of Primordial Might

Gloves that enhance physical strength and divine energy.

Features:

Grants the wearer unmatched combat prowess.

Can crush planets with a single punch.

8. Bow of Celestial Harmony

A divine bow that fires arrows of pure light.

Features:

Arrows seek their targets across dimensions.

Each arrow explodes with the force of a supernova.

9. Mantle of Shadows

A cape that shrouds the wearer in impenetrable darkness.

Features:

Grants invisibility and immunity to detection.

Absorbs energy attacks and converts them into strength.

10. Helm of the Abyss

A helmet that grants the wearer unparalleled tactical insight.

Features:

Allows the wearer to perceive the future and counter enemy strategies.

Creates illusions to confuse and demoralize foes.

A New Era of Creation

With his new troops, tools, and weapons, Sung Jin-Woo solidified his dominion over the multiverse. His armies grew stronger, his creations more divine, and his influence boundless. As The Absolute One, he continued to shape existence, ensuring his legacy would endure for eternity.

Creation was his gift. Destruction was his warning. Balance was his law.
